

Monthly QoS Regulatory Submission - April 2026

Document Code: QOS-NCC-APR2026

Submitted by: Dr Emeka Nwachukwu (Compliance Manager)

Authorised by: CTO Office

Submission Date: May 5, 2026

Submitted to: Nigerian Communications Commission

1. Regulatory Reference

NCC Quality of Service Regulations 2022, Section 4.2 - Monthly Reporting.

2. Network Coverage KPIs

KPI	NCC Threshold	MTN Achieved	Status	Notes
Voice call setup success rate	>98%	97.4%	BELOW	Lagos West cluster degradation Ap
Call drop rate	<2%	1.8%	COMPLIANT	
Data throughput (avg Mbps)	>5 Mbps	8.2 Mbps	COMPLIANT	
Network availability	>99%	98.1%	BELOW	TWR-LAG-W-014 extended downt
4G population coverage	>85%	91.3%	COMPLIANT	

3. Non-Compliance Explanation

On April 28, Lagos West voice setup rate fell to 94.2% due to IKEDC sector 7 grid failure (INC-2840). Three towers were offline simultaneously for 15 minutes. Root cause was external - DisCo grid failure.

4. Complaint Statistics

Complaint Type	Total Received	Resolved within 72h	Outstanding
Voice quality issues	112	108	4
Data speed issues	87	85	2
Billing disputes	54	54	0
Coverage gaps	39	37	2
Total	292	284	8

5. Major Outage Events Log

INC Ref	Date	Cause	Duration	Towers Impacted	Subscribers Affected	Resolution
---------	------	-------	----------	-----------------	----------------------	------------

INC-2840	Apr 28	IKEDC sector 7 failure	15 min	3 (Lagos West)	~12,500	Restored after grid reconnection
INC-2841	Apr 30	Dangote contractor damage	50 min	TWR-LEK-003	~14,200	Fiber splice repair completed

6. Actions Taken to Prevent Recurrence

- Formal complaint lodged with IKEDC regarding sector 7 reliability.
- Fiber junction LJ-7 marker posts installed to prevent repeat contractor damage.
- Failover route TG-LEK-B assessed and validated for redundancy.
- Enhanced monitoring thresholds applied for Lagos West cluster.

7. Declaration

I, Dr Emeka Nwachukwu, Compliance Manager, certify that the data contained in this submission is accurate and prepared in accordance with NCC Quality of Service Regulations 2022.
